

We Have Been Blessed With A Brand New Mobile Kitchen

Dear Friends,

The Gathering Table has been providing free healthy meals to folks in our community since January 2012. We are a 501(c)(3) non profit organization who has served over 12,000 free meals and counting. After many moons of searching we now have a brand new mobile kitchen. A major turning point for The Gathering Table and our mission. Every Thursday we soon will be serving hot healthy meals from 2:00pm - 8:00pm in Glenville. We also plan to be serving in Highlands monthly.

With the funds we have raised in the last several months we were able to make a down payment. However, we still need to raise \$20,000. Once our mortgage is satisfied the building will be totally owned by The Gathering Table.

Our plan is to serve meals more often than we've been able to in the past, continue our meals on wheels to home bound, sick, and elderly neighbors, and continue providing free food boxes to our community. In fact, we have already given away over 4,000 pounds of groceries since March 2015.

We are just \$20,000 shy of our goal and every bit helps more than you know.

We are calling on all of you for donations. Every bit helps more than you know.

If you have any questions, please do not hesitate to contact us. A 501(c)(3) non profit organization's donation is tax deductible, and please forward this letter to any friends or family members that may be interested in our mission.
